### ***Anybody know make, model and year?***

My road trip to Americas Heartland in the **Brand X** automobile went well but was not uneventful. The air-conditioning quit somewhere around Riverside. Should have driven the Packard and that would have never happened. Having made this numerous times without air-conditioning I pressed on. Approaching Las Vegas I decided that "pressing on" was a dumb idea. My daughter was not happy anymore, just like the old days. We are now way behind schedule which was good because the sun is down and a bit cooler. I began phoning ahead to my car club buddies in Colorado Springs, CO for assistance. I arrived in the Springs a day later than planned which again was fortunate

for me as they had **2.5 Feet of hail** the night before! If I had not seen it I would have doubted it. Upon arrival around 15:00, my buddy was waiting for me and we went to the shop. They had me ready to go the next day at noon so all was right with the world again. Daughter now has happy face, as did I.

I got back in plenty of time for Crusin Grand where Mark Burnside and Sydney Kirkland had everything set up and ready to go. Again this event was a smashing success. Our club gives a huge **THANK YOU** to Mark, Syd and their crew for making this very popular event happen smoothly and seamlessly. A lot of time and energy goes into making Crusin Grand happen that most of us are not aware of. We just know it is fun. Read all about it in this Predictor. Never resting on our laurels we have Cop and Rodders this month and in August we are going to the Marston House. The Cop and Rodders event is at Liberty Station which used to be the US Naval Training Center. It is a nice location for the show and there are numerous shops and places to dine. The Marston house is located in the historical district of San Diego with several historical homes to see. Read about it in this Predictor.

## CRUSIN GRAND, ESCONDIDO, CA

June 22, 2012

Steve Ross

***Dale & Debbie Costanzo's 1926 Touring Convertible***

What happens when you get group of Packards and Pierce-Arrows classic vintage automobiles together? Well you have a parade and then a car show that's what happens! If you have a parade one needs a police escort so enter the San Diego Police Museum? We were led by a 1935 Ford Paddy Wagon. We are all thankful that it was not needed in an official capacity. Thankfully the Shyster Gang did not make an appearance.

***Ready to roll, parade cars stretch back as far as the eye can see.***

The parade pushed off at 5:00:P.M. sharp led by the Paddy wagon and followed by the Costanzo's 1926 touring convertible. Bringing up the rear was Colin Fort in his 1958 "58L-PB" station wagon. The parade proceeded down Grand Avenue where both sides of the Avenue were lined with the cheering crowd. Arriving on Broadway we were met by the very efficient parking crew where we were quickly and efficiently parked.

**Colin Fort's very rare 58 Station Wagon. The youngest car in the show.**

**Brian telling Colin Fort what it is going to be like or is it a fish story**

**Phil Pizzuto's 1939 120 and Brian Wagner's 1940 120 Touring Sedans**

**Dean and Patti Beavers 1952 Convertible**

**Fred Puhn and his 1950 "2302" Deluxe Sedan**

**1939 Super 8 beside a 1937 Pierced-Arrow V-12 touring Sedan**

**Grand Packard row all from the mid thirties.**

**1934 Model 840 A Pierce Arrow Silver Arrow and a 34 Packard. This Pierce was based on the 1933 Silver Arrow concept car as shown**

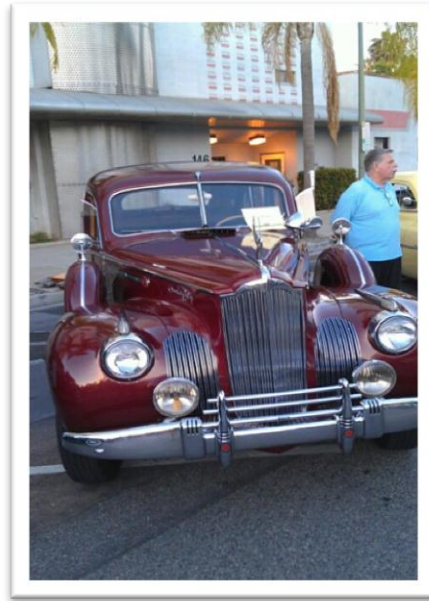

**Note the striking similarity between the Pierce-Arrow concept Silver Arrow on the left and the 34 Packard on the right. According to the owner of the Packard shown here only 7 or 8 of these models were built and some were destroyed.**

**Richard Schauer's award winning 1933 Std 8 and Paul Santy's 1936 "1400" Sedan. This was the first time out for Paul's Packard. Congrats Paul.**

**Mark Burnside and Sydney Kirkland's 1948 Limo and Rick Miller with his 1941 Limo. These are two nice examples of the pre and post war limos.**

**Two 1935 V-12 Limos. On left is the Woolsey limo and on the right is the Tom Hamlin Limo**

**Oldest car at the show, a 1925 Pierce-Arrow**

**1955 Patrician owned by Don Hull President of Packards International Motor Car Club**

Not all of the entrants fine Packards are pictured here and unfortunately not all of the cars were photographed. We are told by the organizers of Crusin Grand that the Packard night is one of the three most popular. The top three are Nitros, Fire Engines and Packards not necessarily in that order. We always have a big crowd and the people every generation are interested in the Packards and always ask a lot of questions. If you did not make it this year then by all means place it on your calendar for next year.

## PEOPLES CHOICE AWARD

Steve Ross

One of the most prestigious awards that a car person can get is The Peoples Choice Award, in my opinion. After all a car show is for the people and if it weren't for them we would have very few car shows. On that day of all the automobiles in the show yours was picked by the people as the one they liked best out of all the others. You may be assured that there are always some every beautiful, rare, and exotic cars to choose from. At Packard night on Crusin Grand in Escondido, CA Ron and Cherrie Steffy's 1932 "902" Convertible Coupe was awarded the Peoples Choice Award. It was no surprise to anyone that it received this award but, there were some very nice automobiles to choose from. I was told that it won by a comfortable margin. You may view some of the automobiles in the Crusin Grand article in this issue of your Predictor.

Peoples Choice 1932 "902" Convertible Coupe.

**Congratulations Ron and Cherrie**
