PRESIDENT'S FORUM

Fellow Packardites,

As President of this region of Packards International for the past year, this is my final message.

It has been a pleasure to have been President, and it has gone pretty well.

I must thank B.J. for all of her help, plus the help of Linda Bittner and Joan King, and the many others that have stepped in at various times.

We have made several tours over the past year that have been interesting and enjoyable to those that have gone. I wish more of our club members would get out and go with us. I am sure you would enjoy them.

To our incoming President, Mark Rothermich I wish him the best. Please everyone get behind him and lets make this club the best ever.

George Cataline

We are very excited about the addition of 2 NEW PROJECTS. Windshield Wiper Blades and Battery Disconnect Switches. If you are in need for either of these things, be sure and call the office.

WE'VE HEARD FROM FAR AWAY

Nov. 8th

Dear Members,

Here are our dues. We miss the monthly meeting and the tours but are glad that you all are continuing--without us!!

Steve has contacted us several times about the club up here but to save us, we can't seem to get to a meeting. Denise was ill once, then previous dates held us up. We can't be that popular!!

We are enjoying the great Northwest. It is so beautiful and green. With the leaves turning every place looks like a calendar picture.

There is still much work to be done in the front yard. But since it gets below freezing most nights now, any extensive work will have to wait until spring.

We enjoyed Fred's dissertation on driving in the U.K. Bruce wants to go back and drive this time. I'm hoping that Fred has discouraged him!

Our daughter is getting married in the Seattle area this weekend. So we are looking forward to that. Our daughter in Downey is expecting her 3rd baby this month so these are exciting times for us.

We wish all of you a festive thanksgiving and a joyous holiday season with all good things in 1994.

Best Wishes,

Denise & Bruce Newton
